

Hello!

My name is Christina Serra and I am thrilled to be leading the HfA Drama programs. I am a professional theatre artist and educator who has performed and taught across Canada, Scotland, the United States and as far away as Istanbul, Turkey.

Most recently I created and performed in *Ralph + Lina* (national tour with over 90 performances across Ontario and as far as Whitehorse Yukon). I also work extensively with young people who have disabilities to create Theatre. As a teacher, I have led Theatre and Music classes for the past 13 years working for the City of Toronto, Young People's Theatre, The Toronto District School Board and others. I also run Music and Play with Christina, teaching Kindermusik to children under 7 and Disco Ducks, an original program for children 2&3 years. Last, but certainly not least, I am a mother of three amazing kids Bruno (age 10), Ralph (age 7) and Simone (age 2).

I am so excited to lead the drama programs with HfA! In my teaching, I strive to create an inviting space where young people develop artistic and social skills, and have fun while doing it! I hope your children will join us!
