

# Accordion Snake Craft

*Ages 6-10 (or younger with assistance)*

You Will Need:

- Three sheets of colourful paper
  - o Two of these pieces should be the same colour (ex. 2 green one pink)
  - o On two of these pieces of paper 3cm strips should be drawn down the length before beginning the craft so that they will be easy to cut into long strips. This should be done on two pieces of paper of different colours.
    - On a standard sized piece of paper this gives 7 long strips plus a tiny strip at the end that we will use later in the craft
  - o On the remaining sheet of paper, draw an oval the size of an egg or larger
- Glue stick or tape
- Scissors
- Markers or crayons to decorate
- Googly eyes (optional)
