

# Bird Craft

*Ages 3-8*

## You Will Need:

- Three pieces cut from left over crafting paper
  - o One rectangle about 15cm x 13cm (body)
  - o One rectangle about 11cm x 9cm (wings)
  - o One rectangle about 4cm x 8cm (tail)
  - o One square about 3cm x 3 cm (beak)
    - As long as they are roughly this size, the measurements do not need to be exact, as long as the body is the biggest piece and you go down in size from there
- Googly eyes (or a small piece of white paper to make eyes)
- Tape or glue stick
- Pencil
- Scissors
