A: What are you doing?

B: What does it look like?

C: Oh no, not again.

B: Quiet, both of you.

Pause

A: I am not sure this is such a great idea.

C: Are you serious?

B: You let me decide if this is a good idea and yes, I am extremely serious.

C: You know this is just going to end badly.

A: I agree.

B: Just let me do what I am here to do.

C: Ok, fine. But... Ok, I give up.

Pause

A: This is not going to work- again!

B: I am perfecting my skill set.

C: Don't the two of you have better things to do?

A: Yes

B: No. Hey, what are you doing?

C: What does it look like I am doing?

A: Oh no, not again?

B: Are you serious?

C: Yes, I am totally serious.

B: Ok, I give up.

A: Just in time.
