In January 2025, we lost our dear friend and colleague, BLAKE QUINLAN,

Blake was a gifted and hardworking young artist who inspired positive change in our community through their creativity and hard work. Their connection to HfA began years ago as a participant in our youth arts programs, and in recent years, they became a valued member of our summer staff.

In the fall of 2024. Blake began their first year studying Theatre Production at Toronto Metropolitan University. We were so proud to see them pursue a career in the arts and excited for all they would bring to the industry. Their loss is deeply felt by their family and friends, our organization, and the wider community.

When it came time to choose a local artist for the cover of our summer program, there was no question it had to be Blake. Their final project with HfA was the creation of large glow-in-the-dark murals for our winter programming at Huntsville's outdoor rink in River Mill Park. These murals, like Blake, brought joy, colour, and light to those who experienced them.

Blake's artwork has inspired this year's summer theme: LET YOURSELF GLOW. Through our programming, we hope to honour their spirit by encouraging everyone to shine their light and share their creativity.

We are grateful to Blake's family for allowing us to celebrate all that Blake brought to the world.

We miss you, Blake. XO

LAND ACKNOWLEDGEMENT

The Huntsville Festival of the Arts makes its home on the ancestral territory of the traditional territories of the Anishinaabeg, specifically the Chippewa, Ojibwa and Potawatomi peoples, under the Robinson-Huron Treaty of 1850 and the Williams Treaties of 1923.

Together, we honour and thank indigenous peoples – all First Nations, Métis and Inuit – for their cultures, their languages, their wise teachings and ways of being, their stewardship and protection of the lands and waters - and life - that have shaped this place since time began.

Together, we commit to acknowledge, to learn, to educate, to create opportunity and to honour sacred places, and to work hard for real Truth and Reconciliation in support of our commitment to wellness for all, and for future generations.
